1. Entering the Imperial Meeting

To enter online please visit online.nra.org.uk.

To enter via the paper form, please return it in time to the NRA via the address listed at the end of the note section.

Entries will not be accepted for any match after 12 noon on the day preceding the match unless special conditions apply.

2. TRID Number

Your Target Rifle ID (TRID) is a unique index number that allows us to match up your scores from previous Imperial Meetings.

Your TRID is listed on your 'GO Membership' profile and on our website when searching from previous Imperial results: www.nra.org.uk/scores

If you do not have a TRID please leave this field blank and one will be assigned to you; alternatively contact Shooting Division for assistance.

3. Eligibility

Country: please state the Country you are eligible to shoot for even if you do not intend to shoot in international matches, as this is required to calculate your eligibility into certain aggregates and special duty exemptions.

4. Shooter Certification Card (SCC)

All competitors must produce their SCC at the NRA Competition Reception in order to collect their squadding cards. In the case of overseas competitors the relevant certificate must be signed by their own National Governing Body.

5. Overseas Competitors

Applications for Visitors Firearms Permits should be made at your earliest opportunity, as it can take up to 3 months to be processed. Please use the VFP application form available as a download on the NRA website. Competitors from within the European Community must include a valid European Firearms Pass where applicable.

You will be contacted prior to the Meeting with further details. Any suitably experienced competitors who would like to volunteer to be a mentor should contact the Shooting Division.

8. Classification of Competitors

If an overseas competitor is not yet in possession of an NRA GB classification, they should state their home country's class to aid Shooting Division in determining the class to be used during the Meeting. Full details regarding overseas classifications are listed in the NRA Handbook – See appendix XVI.
