- **Entry Requirements:**
 - ✓ **Shooter Certification Card (SCC):** Each civilian shooting on a MoD or NRA range has to carry a SCC issued by the chairman of a club of which they are a member and which is affiliated to the NRA. Competitors MUST be in possession of their SCC when shooting on NRA ranges. If you do not have an SCC for the type of firearm you wish to participate with please contact the Competition Co-ordinator before entering
 - ✓ This competition is open to members of Home Office Approved Clubs (HOAC) who are not prohibited under section 21 of the Firearms Act (The NRA is the largest HOAC in the UK). Non-NRA members are welcome, but are required to pay the Meeting Member Fee
 - ✓ On the first day of the Competition you must be aged 14 or over (please contact the Competition Co-ordinator before entering if this is not the case)
- **Making an entry:** Entries can be made and paid for online via: online.nra.org.uk. A downloadable paper entry form will also be available which can be returned via email or post

Shooting Division, National Rifle Association, Bisley, Brookwood, Surrey, GU24 OPB

Email: competitions@nra.org.uk | Tel: 01483 797777 ext. 139

- **Condition of Entry:** All competitors are expected to support the Meeting by assisting as requested e.g. re-facing targets and acting as Safety Supervisors
- **Alternative Shooting Position:** When entering a Meeting, a competitor who has a physical disability (temporary or permanent) which prevents the use of a position specified in the event conditions can apply to the Meeting Director for permission to use an alternative position. The competitor will normally be allowed to adopt the next most difficult position applicable to the event
- **Multiple Entry:** Competitors can only enter each competition once. The exception to this is when you have different firearms that fall under the same event number, which does permit you to shoot the same event number multiple times. Please indicate the number of times you are entering on your entry form. You may only win one award per event number
- **Gallery Rifle ID (GRID):** This is a unique index number that allows us to match up your scores from multiple Action Weekend Competitions. Your GRID is listed on your membership profile and on our online booking website: online.nra.org.uk/customer/info
- **Courses of Fire:** Conditions and courses of fire are listed in the Classic & Historic Handbook which can be found [online](#) and in a FREE paperback book available from NRA Reception
- **Firearms:** Please refer to the handbook as to which firearm types and datelines can contest each match
- **Dress:** Dress for shooting should be appropriate to the discipline and weather. A firer whose dress, equipment or position is thought inappropriate or likely to bring the Association into disrepute may be challenged by the MD/CRO/RO or a member of NRA Staff and may be required to withdraw from an event. The wearing of a single item of military pattern surplus clothing is not likely to warrant action by the Range or NRA Staff
- **Eye Protection:** It is a Meeting rule that all competitors are required to wear hearing and eye protection (unless otherwise stated in individual event conditions). The NRA will not be liable for any injury sustained through the lack of appropriate protection
- **Ear protection:** All competitors MUST wear ear protection when near or on the firing point of all ranges
- **Squadding:** Once entries have closed your competitions will be allocated (squadded) to a specific time slot during the weekend which will be communicated to you via email
 - If you are new to the competition and wish to be squadded alongside another competitor, please add a note to this effect on your entry form and we will try to arrange this
 - Entries may still be accepted once the deadline has passed, however these will not benefit from advanced squadding and are subject to availability. Competitors will need to speak to the Range Officer on the day of each event to see if there is availability to be added to any details
- **Muzzle Energy:** Ranges at Bisley use the Danger Area of Pirbright Range, which under MoD requirements state that all firearms used must either have a muzzle energy under 4,500 Joules (3,319 ft lbs), or else be zeroed at 200 yards or on the Bisley Zero Range prior to being used at a longer distance. If your ME exceeds the limit then you must zero your rifle, using the specially designed target, the day before the start of your particular Meeting
- **Overseas Visitors:** If you wish to bring firearms to the UK as a visitor, or to possess firearms while visiting the UK other than in some restricted circumstances, you must have a Visitor's Firearm Permit or Visitor's Shotgun Permit. These documents are issued by the Police in the part of the UK you wish to visit, though your permit can be extended by the issuing Police Force to be valid in multiple locations. A Permit can be valid for up to a year, and for temporary residence of a year or less avoids the need for an import licence and subsequent export licence when returning home.
You must obtain your permit in advance – it is not possible to apply for one at point of entry. Please allow a minimum of three months.
If you bring firearms as part of your personal baggage, you must have the permit with you in order to clear UK Customs. If your firearms are shipped separately, you will need the permit to collect them from the importer. All the firearms and ammunition you import must appear on the permit, as must any firearms you intend to borrow or hire once in the UK. Full details can be found on our website: <https://nra.org.uk/nra-bisley/visiting-bisley/>
- **When you arrive:** Please report to NRA Reception where a pack of scorecards will be ready for you to collect
 - All competitions have individual scorecards you will need to complete. These need to be posted into the scorecard boxes on range once they have been signed and checked by the Range Officer. You must clearly complete your name and GRID on all scorecards.

- **Reception Opening Times:**
 - Friday: 16.00-17.00, Saturday: 07.45-17.30, Sunday: 07.45-16.00
- **Scorecards:** Please attach one of the labels with your name and GRID number on to the front of each of your scorecards
- **Results:** Results will be input on the day of the Competition and will be available online: www.nra.org.uk/liveresults
- **Challenging Results:** It is the competitor's responsibility on the day of the competition to ensure that scores are written down correctly before being signed by the Range Officer and posted in the scorecard box. Any challenges to scores before they are signed off must be made immediately to the Range Team on the day
 - Once the Meeting has finished no edits can be made for competitor errors on the scorecards. Following the publishing of scores online competitors have until midday on the Thursday of the following week to contact the NRA for errors relating to the digitising of the hand recorded scores. Please email competitions@nra.org.uk with any challenges
