**Making an entry:** Entries can be made and paid for online via: [online.nra.org.uk](https://online.nra.org.uk). A downloadable paper entry form will also be available which can be returned via email or post

**Firearms & Ammunition:** These are not included in the Skills Day fee, attendees are encouraged to bring their own. If not yet in possession of a suitable firearm attendees can have use of an NRA Target Shotgun for the day, and purchase sufficient ammunition, both will be issued on the range by the Instructor

**Section 1 shotguns** are generally any magazine-fed shotgun with a capacity of more than 2 rounds or a detachable magazine, and are the most competitive type available for Target Shotgun shooting. They may only be used by a person with the relevant conditions on their FAC. It is not permitted to borrow or loan a shotgun to which Section 1 of the Firearms act applies.

**Section 2 shotguns** are generally any shotgun with a fixed magazine of no more than 2 round capacity or a classic type shotgun with 2 barrels. They are the most prevalent type available however their use in TS is severely limited and, although useful for training beginners, are not suitable to be used in most TS competitions.

**Muzzle Energy:** Ranges at Bisley use the Danger Area of Pirbright Range, which under MoD requirements state that all firearms used must either have a muzzle energy under 4,500 Joules (3,319 ft lbs), or else be zeroed at 200 yards or on the Bisley Zero Range prior to being used at a longer distance. If your ME exceeds the limit then you must zero your rifle, using the specially designed target, the day before the start of your particular Meeting

**Firearms Usage:** The NRA is required to keep a record of firearms used by competitors as required by the Firearms (Amendment) Acts 1997. Following an NRA Event please go to your online profile and update your firearms usage: [online.nra.org.uk/customer/firearmusages](https://online.nra.org.uk/customer/firearmusages)

**SCC Assessment:** If you are an NRA Member and wish to add "Target Shotgun" to your SCC you can undertake an assessment during the course. There is no additional fee, but you will need to advise us when booking that you would like to do the assessment

Non-members can take the same assessment and will be presented with a certificate of attendance. Your Club Chairman may then decide to authorise "Target Shotgun" to be added to your SCC
