Courses of Fire: Saturday competitions are listed in the TS Handbook which can be found [online](https://online.nra.org.uk) and in a FREE paperback book available from NRA Reception. The design of the Practical course is not published in advance of the event, see below for ammunition advice

Firing Positions: Para A3.4 of the TS Handbook: When entering a Meeting, a competitor who has a physical disability (temporary or permanent) which prevents the use of a position specified in the event conditions may apply to the Meeting Director for permission to use an alternative position. Such an application should be supported by medical evidence (e.g. a Doctor's note) whenever possible. The Meeting Director will determine which, if any alternative position(s) the competitor will be allowed to use in which event(s) and will notify the competitor of the decision. The competitor will typically be allowed to adopt the next most difficult position applicable to the event. This will vary between events but may include:

- a. Sitting instead of Prone
- b. Kneeling instead of Sitting
- c. Standing (strong or weak shoulder/hand) instead of Kneeling, Sitting or Prone
- d. Kneeling Unsupported instead of Standing

Ammunition: Fibre wad ammunition only (Plastic wads that remain fixed to solid slugs during flight are permitted)

- The course of fire for the Practical Match varies at each Meeting. We advise bringing 75-100 rounds of Birdshot (size UK 4/5/6/7/8), NO Buckshot, and 26-35 rounds of Slug ammunition to account for misses and re-shoots

Muzzle Energy: Ranges at Bisley use the Danger Area of Pirbright Range, which under MoD requirements state that all firearms used must either have a muzzle energy under 4,500 Joules (3,319 ft lbs), or else be zeroed at 200 yards or on the Bisley Zero Range prior to being used at a longer distance. If your ME exceeds the limit then you must zero your rifle, using the specially designed target, the day before the start of your particular Meeting

Squadding: Once entries have closed your competitions will be allocated (squadded) to a specific time slot during the day which will be communicated to you via email

- **Special Squadding requests:** You will be squadded randomly, with the exception of those supervising junior shooters, or those sharing firearms. If you wish to request 'special squadding' please make a note on your entry; for those travelling together in the same vehicle we will endeavour to have you starting and finishing at similar times

When you arrive: Please head straight to the range, and collect your scorecard pack from a member of the Range Team – do not go to NRA Reception

- Competitions on Saturday have individual scorecards you will need to complete. The 'Stats copy' side needs to be posted into the scorecard box on range once it has been signed and checked by the Range Officer. You may keep the 'Competitor copy' half for your own records
- On Sunday, scores are input directly onto an electronic tablet, and there are no scorecards to collect

Results: Results will be typed up on the next working day following the Competition and will be available online: www.nra.org.uk/liveresults

Challenging Results: It is the competitor's responsibility on the day of the competition to ensure that scores are written down correctly, before being signed by the Range Officer and posted in the scorecard box. For the Practical match competitors must check the tablet input before it is submitted. Any challenges of this nature must be made immediately on the day. Following the publishing of scores online competitors have until midday on the Thursday the week following the event to contact the NRA for errors relating to the digitising of the hand recorded scores. Please email competitions@nra.org.uk with any challenges

Prizegiving: There is no Prizegiving at this Competition, awards will be distributed after the event

Awards (Saturday): NRA medals are presented to the winners of each competition. These are engraved after the meeting, and will be available to collect from the Phoenix Meeting, or posted out if not collected. Medals are awarded in each event, in each class to the highest scoring competitors, the amount of medals awarded is subject to Prize List D of the NRA handbook:

- 2+ Results: Gold Medal
- 6+ Results: Gold and Silver Medal
- 11+ Results: Gold, Silver and Bronze Medal

Awards (Sunday): Scores made in the Practical Matches go towards the 2025 NRA League standings. Awards will be presented in Spring 2026 upon completion of the League
