#### Entry Requirements:

- ✓ **Shooter Certification Card (SCC):** The NRA issue a 'Shooter Certification Card' (SCC) to evidence firearms and range competency, and acts as the measure for allowing someone to shoot at the NSC. All shooters participating in the FCWC will be required to be in possession of an SCC. If not in possession, shooters may apply for a temporary SCC – a separate application form will be sent once an entry has been accepted and administrated
- ✓ **NRA Membership:** Membership to the NRA is required to shoot on NSC Ranges, and ensures the individual is covered by the NRA insurance package. Non-NRA members are welcome, but are required to pay an additional Non-Member Fee
- ✓ On the first day of the Competition you must be aged 14 or over (please email [competitions@nra.org.uk](mailto:competitions@nra.org.uk) before entering if this is not the case)

**Overseas Competitors:** Applications for Visitors Firearms Permits (VFP) **should be submitted to the NRA from September 2025 – March 2026**, as it will take a minimum of 3 months to be processed. Please use the VFP application form available as a download on the NRA website. Competitors from within the European Community must include a valid European Firearms Pass where applicable

#### Eligibility & Classes:

No one may compete in any of the matches in both the FO and FTR classes. It is permissible to shoot the Individual Championships in one of the classes and the Team Championships in a different class

**Individual World Championships:** F-Open (FO) and F/TR (FTR) Classes. Any shooter entering a World Individual Championship must be 'competent' – i.e. able to conduct his shooting without detriment to range safety or the interests of any partners with whom he is squadded

**U25 Individual World Championships:** FO and FTR Classes, requires a minimum of 10 individuals from 3 or more Nations. U25 is defined as the individual's 25<sup>th</sup> birthday falling on or after the first day of the Individual World Championship (Monday 10<sup>th</sup> August 2026)

**Team World Championships:** FO and FTR Classes. Teams in each Class are formed of a Captain, Vice-Captain, Adjutant, Main Coach / Co-ordinator, 2x Target Coaches, 8x Shooters and 2x Reserves. Any shooter may take on a team role, thus allowing a team to be formed of 8-16 members

**U25 Team World Championships:** FO and FTR Classes, requires a minimum of four countries/approved regional groups. Teams in each Class are formed of a Captain, Adjutant, Coach, 4x Shooters and a Reserve. The Adjutant may be over 25 – if so their role on the firing point is limited to acting on behalf of the Team Captain with Range Staff or the Organisers

## F-Class World Championships: Monday 10<sup>th</sup> – Sunday 16<sup>th</sup> August 2026

### Event Notes

**Rutland Cup Match (FO) & the South Africa Cup Match (FTR):** All competitors are eligible to participate except members of National Squads participating in the FCWC Team Matches. Teams will consist of a Captain, Vice-Captain, Adjutant, four shooters and one coach. Team officials are not obligatory, thus allowing a team to be formed of 4-8 members. These matches are not of World Championship status

Team entries for the International and U25 International teams will only be accepted from full or affiliate members of ICFRA (whether individually or in regional associations) whose subscriptions are up to date. Teams will be selected by the member National Governing Body (NGB) that regulates F Class shooting within each country
