If not in possession of an SCC, shooters may apply for a temporary SCC by emailing competitions@nra.org.uk

Making an entry: Entries can be made and paid for online via online.nra.org.uk. A downloadable paper entry form will also be available, which can be returned via email or post

Gallery Rifle ID (GRID): This is a unique index number that allows us to match up your scores from multiple CSR League Meetings, and is also used for the CSR Imperial and Action Weekend Competitions. Your GRID is listed on your membership profile and on our online booking website: online.nra.org.uk/customer/info

Firearm Classes:

Classifications: Within each firearm class, shooters will be divided into classification groups based on their **final League total** from the past 3 seasons. New shooters to the 2024/25 season will be placed in the lowest class for the duration of the season. The boundaries and full details of the classification system can be found in section B11 of the CSR Handbook

Hiring Rifles & Ammunition: If you are hiring a rifle from the NRA Armoury for use at Pirbright please DO NOT collect on the day of the event. A member of NRA staff will collect both rifle and magazines before heading to Pirbright and will issue these to you on range and take them back once finished. The same rule applies for the purchase of ammunition this must either be purchased in the morning of the event or the day before and will then be brought over with the firearm but the receipt must be shown before it can be collected from the NRA Staff Member.

Courses of Fire: Conditions and courses of fire are listed on the event page and in the CSR Handbook which can be found [online](#) and in a FREE paperback book available from NRA Reception

Muzzle Energy: Ranges at Bisley use the Danger Area of Pirbright Range, which under MoD requirements state that all firearms used must either have a muzzle energy under 4,500 Joules (3,319 ft lbs), or else be zeroed at 200 yards or on the

Bisley Zero Range prior to being used at a longer distance. If your ME exceeds the limit then you must zero your rifle, using the specially designed target, the day before the start of your particular Meeting

Firing Positions: Prone, sitting, kneeling and standing. Para A3.2.22 of the CSR Handbook: A firer who has a physical disability (temporary or permanent) which prevents the use of a position specified in the match conditions may assume the next most difficult position instead. The CRO, RO and the MD must be informed before the start of the match. The following substitutions are among those permitted:

- a. The sitting position instead of the prone position
- b. The kneeling position instead of the sitting position
- c. The standing position instead of the kneeling position
- d. The kneeling unsupported position (either on two knees or on one knee without resting the elbow on the knee) instead of the standing position

Squadding: You will be 'squadded' into groups before the event. We are using electronic targets, so you will not be required to assist in marking targets. Once entries to the event have closed, you will be emailed a copy of the squadding that can be found here: nra.org.uk/csrsquadding/

Range Officers & Butts Officers: Individuals that take on these roles will have their entry fee credited back to them after the event; this does not apply to Wing officers roles

Following the publishing of scores online, competitors have until midday on the Thursday of the following week to contact the NRA for errors relating to the digitising of the hand-recorded scores. Please email competitions@nra.org.uk with any challenges
