Making an entry: Entries can be made and paid for online via: online.nra.org.uk. A downloadable paper entry form will also be available which can be returned via email or post

Gallery Rifle ID (GRID): This is a unique index number that allows us to match up your scores from multiple Action Weekend Competitions. Your GRID is listed on your membership profile and on our online booking website: online.nra.org.uk/customer/info. If not yet in possession of one, this will be issued when you make your entry

Alternative Shooting Position: When entering a Meeting, a competitor who has a physical disability (temporary or permanent) which prevents the use of a position specified in the event conditions can apply to the Meeting Director for permission to use an alternative position (see paragraph A3.5 of the GR&P Handbook). If approved the competitor will be issued an Alternative Position certificate to show to the Range Office, detailing the next most difficult position to use

Re-Shoot Events: You may only enter each specific event once – i.e. once per firearm type. The exceptions to this are the Speed Steels, Mini McQueen and McQueen events that allow unlimited re-shoots over the Weekend. Re-shoot tickets can be purchased as part of your online entry, or from the NRA Reception on the Weekend. The tickets may be used for all Action Weekend events in 2026 (i.e. Spring, Phoenix and GR&P Nationals).

Courses of Fire: Conditions and courses of fire are listed in the Gallery Rifle & Pistol Handbook which can be found online via: nra.org.uk/all-downloads/nra-handbooks and in a FREE paperback book available from NRA Reception

Firearms: Please refer to the match condition as to which firearm types can contest each match. The specification of each firearm type can be found in the front of the Gallery Rifle & Pistol Handbook

Muzzle Energy: Ranges at Bisley use the Danger Area of Pirbright Range, which under MoD requirements state that all firearms used must either have a muzzle energy under 4,500 Joules (3,319 ft lbs), or else be zeroed at 200 yards or on the Bisley Zero Range prior to being used at a longer distance. If your ME exceeds the limit then you must zero your rifle, using the specially designed target, the day before the start of your particular Meeting

Speed Steel Ammunition: Magnum, armour piercing, high velocity, jacketed or plated rounds are not permitted on steel plate targets

Dress: Dress for shooting should be appropriate to the discipline and weather. A firer whose dress, equipment or position is thought inappropriate or likely to bring the Association into disrepute may be challenged by the MD/CRO/RO or a member of NRA Staff and may be required to withdraw from an event. The wearing of a single item of military pattern surplus clothing is not likely to warrant action by the Range or NRA Staff

- **Eye protection:** is mandatory when on or near the firing point on GR&P and Shotgun Ranges (e.g. Cheylesmore, Butt Zero, Melville, Running Deer, Short Siberia, Time Limit, Winans)
- **Ear protection:** All competitors MUST wear ear protection when near or on the firing point of all ranges

Squadding: All entries made prior to the deadline will be allocated (squadded) to a specific time slots during the weekend which will be communicated to you via email. Squadding is subject to change right up until the collection of your scorecards, so please follow your squadding link for details of any updates.

- **Special Squadding requests:** You will be squadded randomly, with the exception of those supervising junior shooters, or those sharing firearms. If you wish to request 'special squadding' please add a comment when entering
- **"Unsquadded" events:** Any entries made during the Meetings will be unsquadded. Entries made before the deadline may also contain events listed without a time slot, this indicates there is no availability to squad them at the present time. These events are fully refundable once the unused scorecards have been returned to the NRA reception by the end of the Meeting. Competitors are responsible for speaking to Range Officers to fit into any gaps on range. The NRA team can assist in advising when there may be on the range availability

Range Volunteers: In order to run our calendar of events we rely on enthusiastic members of the shooting community to assist in running NRA Competitions. Each Range requires a qualified RSO/RCO, but the majority of the team do not require a qualification and provide support with scoring, re-facing targets, checking clear rifles, working the control box, organising the next details

Following the publishing of scores online competitors have until midday on the Thursday of the following week to contact the NRA for errors relating to the digitising of the hand recorded scores. Please email competitions@nra.org.uk with any challenges

Awards: NRA Medals and awards are presented to the top scoring competitors in each match, subject to the amount of entries. Certain matches have 'Classifications' meaning that competitors will be grouped with those of the same Class based on previous performances (see GR&P Handbook section B12). For all Classified events medals will be presented in each class subject to the same boundaries:

- 2+ Entries: Gold Medal
- 6+ Entries: Gold and Silver Medal
- 11+ Entries: Gold, Silver and Bronze Medal

Alan Whittle Novice Trophy: This will be awarded to the competitor who has not previously entered an open Meeting at Bisley or elsewhere, who achieves the highest number of points in the standard medal scores system. See the GR&P Handbook (and below) for details

Standard Scores: Gold, Silver and Bronze Standard Scores are set for most events at the Phoenix Meeting – see section D of the GR&P Handbook for more details. If you achieve this score, a G, S or B will be displayed next to your score on the result list. Please note this does not mean you are entitled to a Gold, Silver or Bronze Medal. Standards accumulate points towards a Grand Master medal – see below:

Grand Master Medal: A competitor will be awarded a Grand Master medal on accumulating a minimum of 20 points from Standard Scores. Grand Master medals will be posted out to competitors after the Meeting:

- Gold Standard: 5 points
- Silver Standard: 3 points
- Bronze Standard: 1 point

Prizegiving: Will take place on Sunday 24th May at 6pm in the NRA Pavilion. All individual Gold medals and trophies will be presented. Once the results are finalised the silver and bronze medals will be sent for engraving, and made ready to collect at the Gallery Rifle Nationals. If they are not collected by the Gallery Rifle Nationals they will be posted out to competitors

Firearms Usage: The NRA is required to keep a record of firearms used by competitors as required by the Firearms (Amendment) Acts 1997. Following a Competition please go to your online profile and update your firearms usage: online.nra.org.uk/customer/firearmusages
