Entry Requirement Summary *(See Terms of Entry below for full details)*:

- ✓ **Shooter Certification Card (SCC):** All shooters MUST be in possession of their SCC when shooting on NRA ranges. This is awarded to NRA Members, or by a Club Chairperson (of NRA-affiliated Clubs), once a shooter has satisfied the criteria as to the shooter's ability to use firearms and ammunition safely. If not in possession of an SCC, shooters may apply for a temporary SCC by emailing competitions@nra.org.uk
- ✓ This event is open to members of Home Office Approved Clubs (HOAC) who are not prohibited under section 21 of the Firearms Act (The NRA is the largest HOAC in the UK). Non-NRA members are welcome but are required to pay the Non-Member Fee
- ✓ On the first day of the event, you must be aged 14 or over (please contact the event Co-ordinator before entering if this is not the case)

Making an entry: Entries can be made and paid for online via: online.nra.org.uk. A downloadable paper entry form will also be available which can be returned via email or post

Gallery Rifle ID (GRID): This is a unique index number that allows us to match your scores from multiple CSR League Meetings and is also used for the CSR Imperial and Action Weekend Competitions. Your GRID is listed on your membership profile and on our online booking website: online.nra.org.uk/customer/info

Firearm Classes:

- Historic Enfield: Any SMLE/ No.4/ No. 5 rifle, service pattern as issued, with no attachments
- Any Iron: Any rifle with iron sights, with no restriction on slings (but rests may not be used)
- Service Optic: Any rifle with optic sights, max 4.5 magnification with no restriction on slings. Rests may not be used. (Any vertical or angled fore grip, if fitted, may be used)
- Practical Optic: Any rifle with optic sights, with no restriction on slings or rests. If any rest is utilised, it must remain fitted to the rifle at all times during the match

Classifications: Within each firearm class, shooters will be divided into classification groups based on their final League total from the past 3 seasons. New shooters to the 2026/27 season will be placed in the lowest class for the duration of the season. The boundaries and full details of the classification system can be found in section B11 of the CSR Handbook

Courses of Fire: Conditions and courses of fire are listed on the event page and in the CSR Handbook, which can be found online and in a FREE paperback book available from NRA Reception

Muzzle Energy: Ranges at Bisley use the Danger Area of Pirbright Range, which under MoD requirements states that all firearms used must either have a muzzle energy under 4,500 Joules (3,319 ft lbs), or else be zeroed at 200 yards or on the Bisley Zero Range prior to being used at a longer distance. If your ME exceeds the limit, then you must zero your rifle, using the specially designed target, the day before the start of your particular Meeting

Firing Positions: Prone, sitting, kneeling and standing. Para A3.2.22 of the CSR Handbook: A firer who has a physical disability (temporary or permanent) which prevents the use of a position specified in the match conditions may assume the next most difficult position instead. The CRO, RO and the MD must be informed before the start of the match. The following substitutions are among those permitted:

a. The sitting position instead of the prone position
b. The kneeling position instead of the sitting position
c. The standing position instead of the kneeling position
d. The kneeling unsupported position (either on two knees or on one knee without resting the elbow on the knee) instead of the standing position

Squadding: You will be 'squadded' into one of 4 groups, who will rotate between competing and operating Targetry in the Butts. There will be two groups on the firing point (Century) and two in the butts at any time. If you are physically unable to operate targets, there should be additional competitors available to assist. Once entries to the event have closed, you will be emailed a copy of the squadding, which can be found here: nra.org.uk/csrsquadding/

Special Squadding Requests: You will be squadded randomly, with the exception of those supervising junior shooters, those new to CSR, or those sharing firearms. If you wish to request special squadding, please make a note on your entry; for those travelling together in the same vehicle, we will endeavour to have you both at least in the same detail; we do not prioritise squadding by club and require a full name and grid of the person

Range Officers & Butts Officers: Individuals who take on these roles will have their entry fee credited back to them after the event; this does not apply to Wing officers' roles.

Wing Officers: Competitors with experience within the CSR Winter League will be randomly selected to assist with roles on the range; wing officers on the firing point will be responsible for score input while wing officers in the butts will be responsible for relaying scores and checking challenges.

On the Day: Please head straight to the range for the pre-event briefing – do not go to the NRA Reception

Results: Results will be input on the day of the Competition and will be available online: www.nra.org.uk/liveresults

Challenging Results: It is the competitor's responsibility on the day of the competition to ensure that the Wing Officer records their scores correctly. Any challenges of this nature must be made immediately on the day. Following the publishing of scores online, competitors have until midday on the Thursday of the following week to contact the NRA for errors relating to the digitising of the hand-recorded scores. Please email competitions@nra.org.uk with any challenges

Firearms Usage: The NRA is required to keep a record of firearms used by competitors as required by the Firearms (Amendment) Acts 1997. Following a Competition, please go to your online profile and update your firearms usage: online.nra.org.uk/customer/firearmusages

Awards: NRA Medals and awards are presented based on the final results in the CSR League, not for individual rounds in the league. NRA Medals are awarded in each firearm class, for each classification group, subject to Prize List D of the NRA handbook:

2+ Scores: Gold Medal
