

New to the CSR League?

CSR League: February

Venue

National Shooting Centre:
Bisley

Firearms

You will need to decide which of the 4 firearm classes you will be competing in:

- Historic
- Any Iron
- Service Optic
- Practical Optic

All the details on the classes can be found in the Event Notes document (which is available from the online webpage below)

Competitions

The day consists of two matches: Short Range Match and Urban Match. If you are new to the League we advise you try the Urban Match as it is shot at distances of 25-100 yards only

If you choose to only compete in the Urban Match, you can still observe the Short Range match to see how the event runs, and speak to some of your fellow competitors

Sponsored by Vortex Optics:
See our event notes for prize details

Practice Session: Friday 3rd February

Open to all CSR shooters, but coordinated by the HRA, this session allows shooters to practice on the days prior to a CSR competition.

Please contact frankie-hra@gmx.com for more information

Discounts

U25s get a 40% discount off the entry fee
