New to the SBLR?

Smallbore Long Range Match

Firearms

This event can be shot with the following types of firearms:

- F Class Smallbore (FCSB)
- Match Rifle Smallbore (MRSB)
- Target Rifle Smallbore (TRSB)
- Service Rifle Smallbore (SRSB)

The Event Notes details the specification of each of these firearm types

Venue

National Shooting Centre, Bislev

Squadding

You will be 'squadded' 3 competitors per target, in either Detail 1 or 2

If you are new to the Smallbore Long Range Match and wish to be squadded alongside a specific competitor, please add a note to this effect on your entry form and we will try to arrange this

Club Shout Out

The Long Range Rim Fire Club (LRRFC) have played a key role in promoting and championing Long Range .22 shooting. For more details on the Cub please visit: https://sites.google.com/site/thelongrangerimfireclub/home
