- **Entry Requirements:**

- ✓ This competition is open to members of Home Office Approved Clubs (HOAC) who are not prohibited under section 21 of the Firearms Act (The NRA is the largest HOAC in the UK)
- ✓ Non-NRA members are welcome, but are required to pay an additional Non-NRA Member Fee (£8.70)
- ✓ On the first day of the Competition you must be aged 14 or over (please contact the Competition Co-ordinator before entering if this is not the case)
- ✓ **Shooter Certification Card (SCC):** Each civilian shooting on a MoD or NRA range has to carry a SCC issued by the chairman of a club of which they are a member and which is affiliated to the NRA. Competitors MUST be in possession of their SCC when shooting on NRA ranges. If you do not have an SCC for the type of firearm you wish to participate with please contact the Competition Co-ordinator before entering

- **Making an entry:** Entries can be made and paid for online via: [online.nra.org.uk](https://online.nra.org.uk). A downloadable paper entry form will also be available which can be returned via email or post
- **Alternative Shooting Position:** When entering a Meeting, a competitor who has a physical disability (temporary or permanent) which prevents the use of a position specified in the event conditions can apply to the Meeting Director for permission to use an alternative position (see paragraph A3.5 of the GR&P Handbook). The competitor will normally be allowed to adopt the next most difficult position applicable to the event
- **Re-Shoot Events:** You may only enter each specific event once – i.e. once per firearm type. The exceptions to this are the Speed Steels, Mini McQueen and McQueen events that allow unlimited re-shoots during the Meeting.
  - Re-shoot tickets can be purchased as part of your online entry, or from the NRA Reception during the Meeting. The tickets may also be used at the Autumn Action Weekend 2023.
- **Gallery Rifle ID (GRID):** This is a unique index number that allows us to match up your scores from multiple Action Weekend Competitions. Your GRID is listed on your membership profile and on our online booking website: [online.nra.org.uk/customer/info](https://online.nra.org.uk/customer/info). If you are not yet in possession of a GRID number this will be issued to you
- **Courses of Fire:** Conditions and courses of fire are listed in the Gallery Rifle & Pistol Handbook which can be found [online](#) and in a FREE paperback book available from NRA Reception
- **Firearms:** Please refer to the match condition as to which firearm types can contest each match. The specification of each firearm type can be found in the front of the Gallery Rifle & Pistol Handbook
- **Discounts:** *(off entry fee only)*
  - **10% Off Entry Fees** when you enter 6 or more competitions
  - **20% Off Entry Fees** when you enter 12 or more competitions
  - **30% Off Entry Fees** if it is the first time you have entered the National Championship
  - **40% Off Entry Fees** for those that are under 25 years old on the last day of the Event
- **Squadding:** Once entries have closed your competitions will be allocated (squadded) to a specific time slot during the weekend which will be communicated to you via email
  - If you are new to the competition and wish to be squadded alongside another competitor, please add a note to this effect on your entry form and we will try to arrange this
  - Entries may still be accepted once the deadline has passed, however these will not benefit from advanced squadding and are subject to availability. Competitors will need to speak to the Range Officer on the day of each event to see if there is availability to be added to any details
- **Overseas Visitors:** If you wish to bring firearms to the UK as a visitor, or to possess firearms while visiting the UK other than in some restricted circumstances, you must have a Visitor's Firearm Permit or Visitor's Shotgun Permit. These documents are issued by the Police in the part of the UK you wish to visit, though your permit can be extended by the issuing Police Force to be valid in multiple locations. A Permit can be valid for up to a year, and for temporary residence of a year or less avoids the need for an import licence and subsequent export licence when returning home.

**You must obtain your permit in advance – it is not possible to apply for one at point of entry. Please allow a minimum of three months.**

If you bring firearms as part of your personal baggage, you must have the permit with you in order to clear UK Customs. If your firearms are shipped separately, you will need the permit to collect them from the importer. All the firearms and ammunition you import must appear on the permit, as must any firearms you intend to borrow or hire once in the UK. Full details can be found on our website: <https://nra.org.uk/nra-bisley/visiting-bisley/>

If your ME exceeds the limit then you must zero your rifle, using the specially designed target, the day before the start of your particular Meeting
- **Reception Opening Times:**

- **Scorecards:** Please attach one of the labels with your name and GRID number on to the Stats Copy side of each of your scorecards
- **Results:** Results will be input on the day of the Competition and will be available online: [www.nra.org.uk/liveresults](http://www.nra.org.uk/liveresults)

Any challenges to scores before they are signed off must be made immediately to the Range Team on the day
  - During the Meeting a 'BX' board of scorecards that cannot be processed will be displayed on the scorecard boards to the side of the Main NRA Building, and also online. Competitors may go to the Stats Office during the Meeting to request an update to the error on the card by the Chief of Stats
  - Once the Meeting has finished no edits can be made for competitor errors on the scorecards. Following the publishing of scores online competitors have until midday on the Thursday of the following week to contact the NRA for errors relating to the digitising of the hand recorded scores. Please email [competitions@nra.org.uk](mailto:competitions@nra.org.uk) with any challenges
- **Firearms Usage:** The NRA is required to keep a record of firearms used by competitors as required by the Firearms (Amendment) Acts 1997.
